### What to prepare for the Audition:

**Dance Audition:** You need to come dressed to move for the dance audition but don't need to prepare a dance- you will be following choreography taught that day.

**Acting Audition:** You may prepare a monologue that is well rehearsed and memorized or you may use the cold read provided the day of auditions.

**Vocal Audition:** Approximately 16 bars of a musical theatre song in your vocal range. If you have not already prepared your music audition, please choose from an option provided on the theatre and choir websites where you will see sheet music as well as practice tracks. **If you are using a different song, please take it to Mr. Huls in room M100 by Thursday, November 15.**

\*When you go into your vocal audition, first take your Audition Sheet to Mrs. Barraza. Then make sure that the accompanist has your music. Last, stand on the X, introduce yourself and let us know what you are singing and proceed.

**Performance Dates: March 1, 2 at 7:00 pm, March 3 at 2:00 pm and March 8, 9 at 7:00 pm in Barnum Hall.**
